Shelby Rescue Squad Substance Abuse Policy

**Please read the attached documents
completely and thoroughly
before signing**

JUNIOR SUBSTANCE ABUSE POLICY

When a Junior member is drawn for random testing or in the event of for-cause testing, samples are to be handled with the utmost confidentiality. The chain of custody form should be stamped "Test Immediately" and the test should not be entered on the log.

Our Junior members are our most valuable resource. Your health and safety and the quality of your work are of paramount concern to us. Since abusive usage of chemical substances presents a dramatic threat to the safety of the workplace for all members, and the public in general, SRS Juniors strive for a drug and alcohol free workforce. When you sign this substance abuse policy, you are agreeing to pre-employment drug testing, random drug testing after employment, and for-cause testing (i.e. on the job accident or injury). Failure to comply with this agreement is a serious violation of SRS Junior Membership's policy and will result in termination and forfeiture of any accrued benefits.

SRS Juniors are finally committed to a safe and efficient work environment. The use, possession, or distribution of drugs and the use or possession of alcohol is completely inconsistent with the achievements of these objectives. Therefore, our policy is as follows:

1. DRUG DISTRIBUTION

Any form of distribution, including sale, is contrary to SRS Juniors' policy and will result in the immediate discharge and barring from SRS Junior Membership. This penalty will be imposed regardless of whether the drugs are sold or distributed to the fellow members or nonmembers. We do not want, and will not tolerate, drug pushers of any kind in SRS Junior Membership.

2. DRUG AND ALCOHOL USE

The possession and use of drugs or alcohol on SRS premises is contrary to SRS Junior policy and will result in the immediate discharge and barring of any individual if the possession or use of drugs or alcohol, in any way, affects or could potentially affect any individuals safety and efficient work performance or the overall safety and efficient work performance or the overall safety and efficiency of the workplace.

DRUG AND ALCOHOL USE WILL NOT BE TOLERATED!!
